Bangladesh University of Business and Technology (BUBT)

Currently enrolling in the 11th semester
CGPA: 3.72/4.00
Expected graduation date: April, 2022

PROJECTS

- E-commerce website (A smooth online shopping site built using the latest technology such as -Nextjs, Tailwindcss, NextAuth, MongoDB)
  Project Link: https://github.com/Asraful-code235/ecommerce

- Todo app (A Todo app built with Reactjs, Redux, and Sass)
  Project Link: https://github.com/Asraful-code235/react-redux-todo

- Digital Library (A project I had built with Reactjs and Mysql. This website can perform crud operations such as Add, Edit, and Delete)
  Project Link: https://github.com/Asraful-code235/DIGITAL-LIBRARY
